CANDIDATE MESSAGE TO VOTERS:

Arrah-Lee Durepos	Off-Campus Housing Coordinator
-------------------	--------------------------------

Dear NBCC Community,

I am honored to announce my candidacy for the position of Academic Staff Member on the NBCC Board of Governors. During my time at NBCC, I have worked in various administrative roles, three NBCC locations, including:

- x Marketing Coordinator (Marketing)
- x Administrative Assistant (Chief Operating Officer)
- x Administrative Assistant (Advancement)
- x Advancement Services Coordinator (Advancement)
- x Pay and Benefits Officer (People & Culture)

I am currently holding the position of Off-Campus Housing Coordinator (Student Development). Throughout the course of my tenure, I have significantly increased my knowledge by fulfilling several newly created positions within the college. These opportunities further enhanced my ability to build strong teams as well as an active role in the college's health and safety. I am a graduate of NBCC Management Academy (2018) and acquired my Lean Six Sigma certification.

With over 13 years of dedicated service, I believe I have gained a deep understanding of the unique landscape that is NBCC. We not only work at NBCC, we are NBCC!

During this period of significant change, I am committed to bringing forth the best of NBCC.

Chris Forbes	Facilities Manager
My name is Chris Forbes, and I am excited to announce my nomination for the Board of Governors. With over 16 years of experience in post-secondary education, 14 of those at UNB, I am eager to bring my skills and experience to this important role. As the Facilities Manager at NBCC Fredericton, I oversee budgets, lead a dedicated team, and ensure the seamless operation of our facilities. I also chair the campus Joint Health and Safety Committee and serve on the Research and Ethics Board, reflecting my focus on collaboration, accountability, and ethical decision-making. I believe my leadership experience will allow me to contribute meaningfully to NBCC's strategic priorities. Thank you for your consideration. Together, we can ensure NBCC remains a pillar of educational excellence in our province.	

Nina Quigley	Head- Customer Service and Student Experience
Dear Colleagues, I am reaching out to seek your support for the Academic NBCC Board seat in this year's Board elections. Those who know me will recognize that I am focused on contributing to an NBCC environment that serves both our staff and students to the fullest. During my 12.5 years with NBCC, I have been privileged to hold roles in Human Resources as a Resourcing and Employment Specialist, and for the last 6.5 years in as a Manager of Student Services. My experience at NBCC has afforded me the opportunity to work with a wide spectrum of colleagues and departments, with a focus on improving the way in which we operate and provide service. This, along with my leadership experience, has allowed me to be successful in effectively supporting employees through critical change, such as the ones we are facing today and in the future. What is important to me is recognition of the value and contribution that we all bring, collaboration to realize meaningful change, and support for ways to bring out the best in ourselves to build on the strength of our reputation and contributions. I hope you will consider me as the Academic Governor staff representative. Sincerely, Nina Quigley	

Victoria Scott	Head of Accessibility and Inclusion Services

To my respected colleagues and friends:

I have been extremely fortunate to have just completed my first term on the NBCC Board of Governors and am excited seeking reelection to complete my second and final term. When I joined the board, the message was clear; that there is a huge learning curve to serving on such a dynamic and robust board and that has proven to be true! It has been exciting, challenging and full of growth and I very much want to carry this knowledge and consistency forward into the next term. I believe that my perspectives will continue to lend value to board discussion and overall strategic direction.

I began my career at NBCC in 2009 as an instructor and in 2012, joined the Student Services team as a Learning Strategist and am currently Head of Accessibility and Inclusion Services. It has been a true gift to be able to experience a crosssection of roles at the college and to gain the knowledge and skills that each brings to the organization.

NBCC is a place that offers opportunity; it is a place of welcome, support and skill. NBCC changes lives. I am so incredibly proud to work in such a values-based organization and alongside such devoted individuals. I am passionate about the future of NBCC,
